

# IN THE COMPANY OF WORSHIPERS

## Verse

**G** **Bm7**  
Sometimes I struggle to get through on my own  
**C** **C/D** **G**  
And find You in Your secret place  
**C** **Bm7**  
I find it hard to get past myself  
**C** **C/D** **G**  
And enter to the place where You live  
**Em7** **D/F#** **G**  
But I know if I can get there  
**Em7** **D/F#** **G**  
I will find just what I need  
**Em7** **D/F#** **G**  
In the company of His worshipers  
**F** **C/E** **C/D**  
I have seen the door but now I've got the key

## Chorus

**G** **Em7**  
So together we worship and lift up our hands  
**C** **C/D**  
And flood the gates of heaven with our praise  
**G** **Em7**  
And enter His throne room and boldly bow down  
**C** **C/D**  
Before our God and sing with the angels  
**Em7** **D/F#** **G/C**  
And we sing Holy is the Lord  
**Em7** **D/F#** **G/C**  
And faithful are You God  
**Em7** **D/F#** **G/C**  
Holy is the Lord  
**Em7** **D/F#** **G**  
Holy is the Lord

## Bridge

**Am7** **G/B** **C** **C/D**  
If you're tired and can't get through on your own  
**Am7** **G/B** **C** **C/D**  
If you find it hard to pray  
**Am7** **G/C** **C** **C/D**  
Then let us go together into the throne room
