

# UNSPEAKABLE LOVE

## Verse

( E D C B ) C/A G C  
There's no distant shore that can describe You  
( E D C B ) C/A G D/F#  
There's no sight of beauty to compare  
Dm7  
How You take all my sins  
C/E  
And still love me again  
F Gsus  
Is something my mind can't conceive  
( E D C B ) C/A G C  
There is not one thing that You created  
( E D C B ) C/A G D/F#  
That could mirror all the grace of You  
Dm7 C/E  
Or reflect all the joy that only You give  
F Gsus  
Or give just as much as You do

## Chorus

C/F Gsus  
No words could say how I love You  
C/F Gsus  
There's no song I ever could sing  
C/A G/B  
I'm searching my heart God where do I start  
D/F# Fm/Ab C/A  
To tell Your unspeakable love  
F/G F/G C  
I'll live my life to explain Your love
