I've talked to many people

About what's going on

But they don't have the answers
Bb/C **C/Bb**
Just "I know" and "that's alright"

I never seem to satisfy
Am7
The war that's in my mind
Bb
But with You there's something
Bb/C **C/Bb**
Different that I find

Chorus

C **Dm7 C/E F**
No one else can love like You
C **Dm7 C/E F**
No one understands like You
C **Dm7 C/E F**
No one listens like You do
Gm7
To me over and over
Bb/C
And over and over again
F
There's no one else like You

Bridge

Gm7
You never get tired or angry
Bb/C
You listened again
Gm7
You never looked down on me ever
Bb/C
You taught me to win

There's no one else like You
