

FACE TO FACE

Verse

Bb **Dm7** **Eb** **Eb/F**
I have been face to face in the presence of my Master
Bb **Dm7**
Words are not enough
Eb **Gm/E** **Eb/F**
They cannot express the state of my soul
Cm7 **Bb/G**
Ask me and I will tell you
Cm7 **Bb/G** **D/F#**
Ask me and I'll do my best to show you

Pre-Chorus

Gm **D/F#** **Bb/F** **Gm/E** **Cm7**
But I dare you to come with me into the presence
Cm7 **Bb/D** **Eb** **Eb/F** **G/B**
Of being wholehearted in love with Him

Chorus

Cm7 **Eb/F**
Face to face in the presence of my Master
Bb **F/A**
With my head face down
Bb/G **G/B**
And my heart lifted up
Cm7 **Eb/F**
Face to face in the presence of my Master
Cm7 **Eb/F** **Bb**
Is where I long to be
